

## 📣 WHY ACADEMY VISITS MATTER! 💪

Approved By: Local 1427 Executive Board

THE CITY REGION, never miss a beat—or an academy visit! 🎯 Why? Because this is our golden opportunity to engage with our members right from the start. Academy visits are crucial for laying the groundwork of our union's values, benefits, and community. We believe in building strong connections from day one, ensuring every member knows they're supported every step of the way.

🤝 Meeting face-to-face allows us to understand needs, answer questions, and ensure our members are fully equipped to navigate their new role. We're here to help you grow, thrive, and stand strong together.

Don't forget, when THE CITY REGION is in the room, it's not just an introduction—it's the beginning of a lifelong partnership. 💪 ✨ We're committed, we're engaged, and we're excited to welcome YOU!
