

SAY HELLO TO THE BRAND-NEW DAVIS VISION MOBILE APP

Provider Location Search

Easily find an eye care provider based on your current location, city / ZIP code or search by name.

ID Card

Need your member information? Find it and personalize it with your photo (optional).

Eligibility & Benefits

Quickly check your current or future eligibility status. Need a little more detail? You can also review your benefit.

Claims & Status

Review your current claims and history. Plus, upload a photo of your receipt to easily submit an out-of-network claim.

Glasses Order Tracker

Order glasses from an independent provider? Conveniently check their progress in the app.

Tools & Resources

Be sight-savvy with these calculators, a frame try-on tool, a vision reference library and more.

Log in with the same username and password you use to access your account online, or register in the app.
