Vision Benefits

Summer 2021

Sisters and Brothers:

Several years ago, Council 32 negotiated an outstanding discount program with **Wisconsin Vision** to take care of the eye care needs of our members and our retirees, as well as the members of their immediate families.

Since this program has been in effect, thousands of Council 32 members have realized significant savings by shopping at one of **Wisconsin Vision's** many convenient locations. We are happy to renew our endorsement of this fine vision program.

Wisconsin Vision offers all Council 32 members a Union endorsement discount plan. This discount is good all year long and applies to multiple orders.

Wisconsin Vision is the only **union shop** optical provider in Wisconsin. Their staff is represented by **Local 1473 of the United Food and Commercial Workers (UFCW)**. The Company utilizes state-of-the-art technology, and employs Licensed Doctors of Optometry to perform Comprehensive Eye Exams that include glaucoma screening. Their trained Opticians will help you select the proper eyewear that best meets your personal needs. There are over two thousand quality frames and a wide assortment of contact lenses for you to choose from in each vision center.

In addition to offering quality products and services, Wisconsin Vision has established a reputation of being totally up front and honest in their dealings with our members. They stand behind their products and services 100%.

The vision care program represents another important benefit of membership in AFSCME Council 32. We urge you to patronize Wisconsin Vision for all of your family eye care needs. You can take advantage of significant discounts and at the same time support your sisters and brothers who work in these fine union shops.

In Solidarity,

Paul Spink, President

Patrick Wycoff, Executive Director
