

About Us

The Michigan State Employees Association (MSEA) is a public non profit labor union which represents over 5,000 state employees in the Labor and Trades and Safety and Regulatory bargaining Units. We represent over 105 different classifications but serve the citizens of the State of Michigan.

MSEA's mission is to preserving the general welfare of state employees, encourage high standards and preserve a true merit system in Michigan.

Book now and help advocate for these dedicated and hardworking public servants!
