This first step (between the employee and his immediate supervisor) shall be on an informal and oral basis, and may involve the employee's union representative or any other representative of the employee;

2. Any grievance, which cannot be satisfactorily settled with the immediate supervisor, shall be reduced to writing by the employee and deliver to the employee's Department Director by any means that provides some evidence of its delivery, such as e-mail or facsimile transmission, and if delivery is by hand, it shall be signed by the Department Director solely to establish date of

receipt.. The arbitrator shall be any impartial person mutually agreed upon by and between the parties. However, in the event the parties are unable to agree upon said impartial arbitrator, the

parties shall jointly request the Federal Mediation Conciliation Service (FMCS) to furnish five(5) names from which each party shall have the option of striking two (2) names in alternating fashion, thus leaving the final arbitrator who shall hear the arbitration in accordance with the FMCS rules of procedure.

6. The arbitrator will confine his consideration and determination to the written statement of the grievance presented in Step (2) of the grievance procedure. The arbitrator shall have no authority to change, amend, add to, subtract from, or otherwise alter or supplement this Agreement, or any part thereof or amendment thereto nor to interpret any provision that is clear or unambiguous. 7. Consistent with the provision of the Florida Public Employees Relations Act, Chapter 447, et seq., it is mutually acknowledged and agreed that this collective bargaining agreement shall be administered within the amounts appropriated by the City Commission for funding of the collective bargaining agreement. Accordingly, and notwithstanding any other provisions of this collective bargaining agreement, the arbitrator shall have no authority, power, or jurisdiction to construe any provisions of law, statute, ordinance, resolution, rule or regulation, or provision of this collective bargaining agreement to result in, obligate, or cause the City to have to bear any expense, debt, cost or liability except for the expense of arbitration, by both parties, and the economic benefits provided by this Agreement, which result directly or indirectly, in the City exceeding the amounts appropriated and approved by the City Commission for the funding of this collective bargaining agreement as agreed upon by the parties. Any such award, which contravenes or is not in compliance with the provisions of this paragraph shall be null and void.

8. Each party shall bear the expense of its own witness(es) and of its own representatives for the purpose of the arbitration hearing. The impartial arbitrator's fee and related expenses and expenses of obtaining a hearing room, if any, shall be equally divided between the parties. Any party desiring a transcript of the hearing shall bear the cost of such transcript unless both parties mutually agree to share said cost.

9. The initial selection process for choosing an impartial arbitrator shall commence within ten (10) business days after the receipt of the panel from the Federal Mediation Conciliation Service and each party shall have three business days to strike a member of the panel. Copies of the arbitrator's award made in accordance with the jurisdiction and authority under this Agreement shall be furnished to both parties within thirty (30) days of the close of the arbitration hearing. Section 7: It is further understood and agreed that all issues pertaining to Drug and Alcohol Testing shall be governed by City of South Miami Drug and Alcohol Free Workplace Policy and Personnel Rules and Regulations set forth in the Employee Policies and Procedures Manual.

The City manager and/or the Personnel Manager shall determine lower rated classifications and whether the affected employee is immediately qualified to perform the necessary services to be performed in that lower rated classification. Such determinations shall be made in the sole discretion of the City Manager and/or the Personnel Manager and shall be final and binding. When an employee elects to "bump" into a lower rated classification, said employee will be paid the rate of pay of that lower rated classification.

Section 5: Employees who have been laid off will have the recall rights for a period of time not to exceed twenty-four (24) months to the position they held when they were laid off or into a lower rated classification covered by this Agreement, provided that the employee is immediately qualified to perform the necessary services under the employee classification or in the lower rated classification, should the position become available.
