

Urgent Action for Fair Pay!

The state’s initial compensation proposal for our 2025-27 union contract was short-sighted and disrespectful. We won’t accept it.

To help us push back, we need our membership to get loud to put pressure on the governor and the Office of Financial Management.

Call the Gov. Today!

What to Expect

- Use the text-opt in above and you’ll receive a text with a button to call the Governor’s Office.
- The governor won’t pick up. You’ll be leaving a message.
- Each phone call counts! Our power as a union comes from our numbers. It’s time to show that we are UNITED FOR WASHINGTON—for our jobs, our families, and our communities.

What to Say

- This is [Name]. I’m an employee at [your employer] represented by the Washington Federation of State Employees.
- I’m calling on the Governor to ensure WFSE members receive a fair 2025-27 contract with compensation that reflects the importance of our work.
- The services Washingtonians depend on are already stretched thin. Now is the time for an investment in the folks who do the work that keeps our state running.
