ARTICLE I: NAME

The name of this organization shall be Graduate Researchers United (GRU) Local Number 402 of the American Federation of State, County and Municipal Employees, AFL-CIO.

ARTICLE II: AFFILIATIONS

This local union shall be affiliated with Council Number 75 of the American Federation of State, County and Municipal Employees; and the AFL-CIO.

ARTICLE III: OBJECTIVES

The objective of this union is to improve the working conditions of graduate researchers at OHSU, in addition to supporting the objectives of the American Federation of State, County and Municipal Employees.

ARTICLE IV: MEMBERSHIP AND DUES

Section 1. All OHSU graduate students seeking PhD degrees who receive stipends, (excluding supervisors, confidential employees, and managerial employees) are eligible for active membership in this local union, subject to the requirements of the Constitution of the International Union. Active members shall pay dues. Active members are eligible to participate in the following non-exhaustive list of activities: attending members-only events; voting; and holding an officer or steward position.
Section 2. Application for membership shall be made on a standard application form. Unless such form includes a valid authorization for payroll deduction of dues, the application shall be accompanied by the current month’s dues.

Section 3. Members shall be considered “in good standing” while they are paying dues on time and are not violating the codes of conduct upheld by this local union and the International Union. A member may lose their “good standing” status and be considered “delinquent” for failure to pay dues. The executive board will notify members of their delinquency status. The executive board must also include in the notification a series of reasonable steps that must be taken in order to remove the delinquency status and return to “good standing.” Delinquent members are still expected to pay dues and may attend members-only events, but they forfeit their ability to vote and hold an officer or steward position.

Section 4. The monthly membership dues of active members of the local shall be a percent of the member’s monthly base wages. This percentage rate shall be 1.13 times the Council 75 dues rate, rounded to the nearest hundredth of a percent. For example, the Council 75 rate at the time of this writing is 1.27%, so membership dues would be 1.44%. These amounts are subject to the minimum amounts as provided in the Council 75 Constitution.

Section 5. Membership dues shall be payable monthly in advance to the local Secretary-Treasurer and in any event shall be paid not later than the 15th day of the month in which they become due. Any member who fails to pay dues by the 15th day of the month in which they become due shall be considered delinquent, and upon failure to pay dues for two consecutive months shall lose their good standing status and stand suspended. However, any person who is paying dues through a system of a regular payroll deduction, bank draft, or similar system, shall, for so long as such person continues to pay through such deduction method, be considered in good standing. A member suspended under the above section may be reinstated to membership in the local on payment of all arrearages plus the current month’s dues.

Section 6. A member may withdraw their membership at any point in time by contacting the Data Officer and asking to be removed in writing. Members who choose to withdraw their membership may also choose to register for membership again at any time. However, withdrawing one’s membership and re-registering for membership does not remove a member’s delinquency status.

ARTICLE V: MEETINGS

Section 1. Regular meetings of this local shall be held at least once per quarter, at a time and place to be fixed by the membership or the local executive board.

Section 2. Special meetings may be called by the local President, the local executive board, or by petition filed with the President and signed by 25% of the members of the local. Special meetings may also be called by the International President or by an authorized representative of the International President.

Section 1. Candidates will be selected by nomination. Any union member can be nominated, and union members can nominate themselves for a position.

Section 2. If, once the nominations have been collected, there is an imbalance of candidates and positions (i.e., if there has been no one nominated for one position, and several people have been nominated for another), nominees can volunteer to run for the empty positions.

Section 3. Winners for each position will be selected by ranked-choice voting:

- Voters will rank the candidates for each position by preference.
- If there are more candidates than positions, the candidate with the fewest first-preference votes is eliminated. In the case of a tie for least-popular, a candidate will be eliminated at random from this tie. All ballots will then be counted for their highest-ranked non-eliminated candidate. This process continues until there are a number of remaining candidates equal to positions.
