I agree to the following Terms of Use

If submitting Vaccination information:

I declare and attest that the official record I have attached or uploaded is a copy of my personal vaccination record and that the information included in that document is true, to the best of my knowledge. I understand that it is a crime under federal law to use, buy, sell, or transfer a CDC vaccination card knowing that it is fraudulent. A violation of this federal law is punishable by a fine or imprisonment of up to five years. 18 U.S.C. SEC. 1017. Furthermore, I understand that, as provided in Executive Order No. 13G, submitting false written information related to my vaccination status is punishable pursuant to Section 53a-157b of the Connecticut General Statutes by a fine of not more than \$2,000 or imprisonment of not more than one year.

If submitting Testing Information:

By making a selection on the testing screen in regards to your results and as required by Executive Order No. 13G, I attest that my selection is a true and accurate representation of my most recent test result, to the best of my knowledge, and that providing false information in response to this question is punishable pursuant to Section 53a-157b of the Connecticut General Statutes by a fine of not more than \$2,000 or imprisonment of not more than one year. I understand that I may be contacted and required to provide documentation of my test result for verification.

Submit

Read this section that explains the penalties for providing false information, click the check box to acknowledge you have read the terms, and click submit.

You will be asked to agree to the above every time you log into the portal

If you have the results of your test click yes. (You will need to have the results in order to be considered compliant with the mandate.)

Click on the appropriate result.

If you tested positive you are required to quarantine and notify your HR department immediately.

All testing results are subject to audit and you may be contacted to provide additional information.

Thank you. You have now completed your submission and will be brought to a summary screen.

If you would like additional information click view results and resources

These links can provide useful information and if you are looking for a place to get tested you can click on "Review local testing".
