All General Membership and Committee meetings will be conducted at 420 West 45th St., First Floor (between 9th and 10th avenues), until renovations are complete at 125 Barclay St.; DC 37 Retiree Association Executive Board meetings will be conducted at 75 Maiden Lane.

- 1) Your monthly social security check is based on living through the entire month. For example, if you die on May 31st, you are not entitled to the the May check which is sent to you in June. However, if you pass away on June 1st you are entitled to the May check which will be sent to you in June.
- 2) Pension checks are pro-rated to the date of death.
- 3) NYC Health Coverage for surviving spouses/domestic partners stops immediately after the death of the retired member. However, COBRA benefits may be requested through the NYC Office of Labor Relations.
- 4) Please notify the DC 37 Health and Security Unit at 212.815.1234 and the DC 37 Death Benefit Unit at 212.815.1373/4. You have a maximum of one year to file. DC 37 benefits (optical, dental, prescription drugs) continue for the survivor for one year from the date of the member's death. Additional years (up to, but not exceeding, two years) of this coverage may be purchased by contacting the DC 37 Health & Security Unit.
- 5) After notifying the Death Benefit Unit, please call the DC 37 Retirees Association because they have a supplemental death benefit if the deceased was a member in good standing for seven years or more. You have three months to file after you received the DC 37 benefit.

- 6) Please contact Ed Hysyk, President, for further questions, comments, or suggestions at 212.815.1793.
- 7) Notify other associations such as the Organization of Staff Analysts (OSA) and/or the NYC Managerial Employees Association (NYCMEA) because the deceased may be entitled to benefits from these organizations if they do not receive benefits from DC 37. They can be a member of the DC 37 Retirees Association but may get their benefits from a different organization.
- 8) The COBRA benefit for surviving spouses/domestic partners is expensive, but it may be cheaper than obtaining health coverage from other sources such as insurance companies, AARP, etc. Please note that COBRA can also be purchased for DC 37 benefits such as Optical, Dental, Prescription Drugs, etc. The Prescription Drug Benefit can be purchased separately as well as Dental and Optical.
- 9) Even after death, taxes do not go away.
- 10) If the deceased was a military veteran, they may be entitled to additional benefits and special funeral arrangements.
- 11) Notify the World Trade Center Registry and Health Program Center.
