24/7 Facility Premium Pay

Washington State 24/7 facilities provide vital services to vulnerable individuals within our care. To recognize employees that are providing the services required at these facilities and to strengthen recruitment and retention efforts to ensure continued delivery of services, the parties agree to implement a temporary 24/7 Facility Premium Pay as follows:

Employees who are assigned to a facility that provides direct care to residents, patients and/or clients and whose duties are required to be performed on location will receive a five percent (5%) premium pay for all hours actually spent working on location. Agency locations that are designated as 24/7 facilities are listed in Attachment A to this Memorandum of Understanding and the agency shall determine which positions are eligible for this premium pay. The determination of position eligibility shall not be subject to the grievance procedure.

For the purposes of this MOU ~~holidays not worked and~~ hours designated as vacation leave, sick leave and compensatory time shall not include the additional 5% premium. Employees in positions whose duties are not required to be performed on location and who are eligible for regularly scheduled telework shall not be eligible for this premium pay unless their telework agreement specifically requires them to work on location three or more days per week. This premium pay is added to the base salary and shall expire on June 29, 2025.
