What do we want in a Contract?

How do we win a good Contract?

**Thursday

OR 6:30PM-7:30PM**

Contract negotiations are around the corner. In today's uncertain climate we want to make sure we are all informed on the process and how we can all get involved. Just because there are budgetary constraints doesn't mean we won't fight for what we need. We will be hosting 2 sessions of this virtual event so please feel free to pop in as long as you can. We will give a brief summary of our Child Care Leave campaign as well. New ideas welcome!
