

CELEBRATING 80 YEARS OF STANDING UP FOR OUR JOBS, FAMILIES AND COMMUNITIES

Our union has a history we can be proud of.

Founded in 1943, AFSCME Council 28/WFSE has grown from a small union of Tacoma welfare workers into a movement of 47,000.

For 80 years, WFSE members have tirelessly worked for what's right, from civil rights to gender pay equity. WFSE founder Neville Crippen said, "Our yesterdays prepare us for today." And it's true.
