## **ARTICLE 11 - INSURANCE**

### **Section 11.1. - Health Insurance.**

- (a) During the term of this agreement, members of the bargaining unit shall be eligible for the medical (including vision and prescription drug), dental, flexible spending accounts, and any other health insurance benefit programs at the same cost and basis as all other groups of County benefit eligible employees. Additionally, the Union agrees to provide a representative on any ad hoc employee committee formed for such purpose. Neither meetings involving the development of bid specifications or participation on an ad hoc committee shall preclude the Union from submitting health insurance proposals in the course of negotiations on a new agreement.
- (e) *Dependent Children Eligibility.* In the managed care options (HMOS), employees' unmarried dependent children are eligible to be enrolled under the County's group medical insurance program until the first of the month following their 25<sup>th</sup> birthday, regardless of student status.

the actual Health Care costs for each year.

- (g) *Plan Deductible.* In the event the County implements a change of plan year dates, amounts that employees have accrued toward required deductibles or co-insurances during the partial plan year shall be applied to the deductible required during new plan year.

### **Section 11.2. – Life Insurance.**

The County shall provide, at no cost to the employee, basic group life insurance coverage in an amount equal to two times (2x) annual salary.

## **ARTICLE 12 - PROTECTIVE CLOTHING AND UNIFORMS**

It shall be mandatory for employees to wear the uniforms provided by the County.

Each Department and/or Bureau will determine the proper uniform, color, style and types of clothing to be worn by bargaining unit employees.

Each Department and/or Bureau may choose to purchase or rent uniforms as appropriate. The Department or Bureau may choose to provide a stipend to allow members to purchase designated items from a designated uniform supplier.

At a minimum, each employee requiring a uniform will be provided with one Tee-shirt for each day worked during the normal workweek. Employees in the DPW Bureau of Facilities and the Department of Recreation and Parks will receive tee-shirts with collars.

The County will issue either one set of winter coveralls or a winter jacket to each bargaining unit member. Coveralls/winter jackets will be replaced on an as needed basis, depending upon fair wear and tear. With documentation (Loss/Theft Report), jacket/coveralls will be replaced.

The County will continue its present policy on providing safety eyewear. The County will pay any additional cost associated with the purchase of safety footwear under the policy that is directly attributable to the fact that the shoe is large.

If the Union determines that there is a particular need for a uniform(s) in a work area, it shall present appropriate justification of need to the County in which case the prescribed uniform provided may be adjusted.

## **ARTICLE 13 - GRIEVANCE PROCEDURE**

### **Section 13.1. - Scope.**

This Article sets forth a grievance procedure, which shall apply and be limited only to questions concerning the interpretation or application of a specific provision of this Agreement. Grievances not covered by the scope of this Agreement may be filed in accordance with Section 1.500, formerly Section 1.121 of the Howard County Code.

The order of presentation in all grievance hearings shall be as follows. For grievances resulting from disciplinary actions, the County shall proceed first. For all other grievances, the Union shall proceed first.

### **Section 13.2. - Election of Remedies.**

- (a) As an alternative to the grievance procedure set forth in this Article, and except for grievances related to suspension or termination as contemplated in Section 13.4. of this article, an employee may use the grievance procedure provided in Section 1.500 of the Howard County Code and the “Appeals” section of the Howard County Employee Manual. An employee may elect only one of these remedies and by electing one procedure automatically, waives the other.
- (b) If an employee elects the grievance procedure under this article:
  - (1) Management personnel may communicate with the employee only through the Union or at scheduled grievance proceedings; and
  - (2) A settlement or other resolution of the grievance may be made only with the express approval of the Union.

### **Section 13.3. – Time Limitations.**

A grievance covered by this Article must be presented promptly within 10 working days or two weeks after it arises and be processed in accordance with the following steps, time limits and conditions. The parties recognize that the prompt settlement of grievances is important to a sound and harmonious relationship between the Union, the County, and the employees.

The aggrieved employee shall present all grievances at the first step of this grievance procedure or the Union within the time limitation contained herein or they shall be considered waived. If the County fails to give its answer to a grievance within the time limits set forth in any step, the Union and/or employee may appeal the grievance to the next step at the expiration of such time limit.

The time limits prescribed herein may be waived by mutual agreement, in writing, by the parties hereto. A grievance not appealed within the time limits herein set forth shall be considered

settled on the basis of the answer provided by the County at the last step of the procedure utilized by the Union or the employee, which answer shall be final and binding upon the aggrieved employee member or the Union.

The parties may, by mutual agreement, waive certain steps and/or extend stated time frames. Such mutual agreement shall be reduced to writing and signed by the parties prior to the expiration of said time frames. In no event may waiver or extension of any time limit hereunder for presentation or appeal be implied by any action or inaction of the County or the Union.

#### **Section 13.4. - Procedural Steps.**

##### **Step 1**

The aggrieved employee, with or without his/her Union representative, shall meet with the lowest level County supervisor capable of resolving the grievance to present the grievance orally. If that supervisor lacks the authority to resolve the grievance, he/she shall refer the Union or the employee to the appropriate member of management, who may include the original supervisor in the adjustment process. The lowest level supervisor capable of resolving the grievance shall attempt to satisfactorily adjust the matter and reply to the unit member or the Union orally within five working days of the presentation of the grievance.

##### **Step 2**

In the event that the supervisor's decision at Step 1 is not satisfactory to the employee or the Union, the employee or the Union may, within 10 working days of receipt of that supervisor's answer at Step 1, present the grievance, in writing, to the Bureau Chief on a form to be supplied by the County. The Bureau Chief shall, within five working days of receipt of the grievance, schedule a meeting to discuss the grievance with the employee and/or the Union and reply to the employee and/or the Union, in writing, within ten working days of the meeting.

##### **Step 3**

In the event that the Bureau Chief's decision is not satisfactory to the employee or the Union, the employee or the Union may, within five working days from receipt of the Bureau Chief's answer at Step 2, present the Step 2 grievance form to the Department Head. All grievances concerning suspension or discharge shall begin at this step. The Department Head or his/her designee shall arrange to meet with the employee and/or the Union within five working days after receipt of the grievance, and shall reply to the grievance, in writing, to the employee and/or the Union within five working days of the meeting.

##### **Step 4**

In the event that the Department Head's decision is not satisfactory to the employee or to the Union, the employee or the Union may, within five working days from receipt of the Department Head's decision at Step 3, present the grievance form to the Personnel Officer. The Personnel Officer or his/her designee shall arrange to meet with the employee and/or Union within

10 working days after receipt of the grievance. The Personnel Officer shall reply to the grievance, in writing, to the employee and/or the Union within 10 working days of the meeting.

### **Step 5**

Any grievance that has been properly processed through the above procedure and has not been settled at Step 4, may, at the request of the Union, be appealed to binding arbitration.

The Union shall serve written notice of its intention to proceed to binding arbitration upon the Personnel Officer within 14 calendar days of receipt of the Personnel Officer's decision at Step 4.

The County and the Union may use the services of either the Federal Mediation and Conciliation Service or the American Arbitration Association. In any event, the arbitration shall be conducted in accordance with the rules of the American Arbitration Association. The Arbitrator shall have no authority to amend, alter or modify any provision of this Agreement or to limit, diminish or in any manner interfere with the authority of the County and its administration as provided by State law and/or County Charter. The written decision of the Arbitrator shall be rendered within 30 days after the hearing and shall be final and binding upon the aggrieved employee, the Union and the County. The cost of arbitration shall be shared equally by the County and the Union except that costs incurred in presenting or defending the grievance to the arbitrator shall be borne by the side incurring the expense.

### **Section 13.5. - Other Conditions.**

No reprisals shall be invoked against any employee for filing or processing a grievance.

If an employee is given a directive by a supervisory authority, which he/she believes to be in conflict with a provision of this Agreement, the employee shall comply with the directive at the time it is given, and thereafter, may exercise his/her right to grieve the matter. The employee's compliance with such directive will not prejudice the employee's right to file a grievance, nor will his/her compliance affect the resolution of the grievance.

The County may present a grievance to the Union, in writing, at Step 5 of this procedure provided that it has filed a notice of intent with the Local 3085 President. The notice of intent, outlining the details of the complaint, must be presented 30 days prior to filing the demand for arbitration.

### **Section 13.6 - Multi-Employee Grievance.**

If such grievances affect a group or class of employees involving two (2) or more employees, the Union or the employees may submit such grievances in writing to the respective Director. The processing of the Multi-Employee grievances shall commence at Step 3. An employee may elect to file an individual grievance and thus not participate in the Multi-Employee grievance. A Multi-Employee grievance must include the names of at least two employees who are alleged to be aggrieved by the action necessitating a Multi-Employee grievance.

**Section 13.7—Last-Chance Agreements.**

Presuming there will be no abuse, employees who do not work at the main County office complex will be allowed, with prior supervisory approval, to inspect their personnel files during their normal work day. All items contained in such file shall be available for review and copy with the exception of outside confidential references relating to original employment or promotion.

**Section 14.2. - Removal of Information.**

Any correspondence related to disciplinary action may be removed from the employee's personnel file if requested in writing by the employee, provided two (2) years have elapsed since the most recent entry.

- (b) If an employee believes a violation of Policy and Procedure 200.1 or other workplace-related safety law or regulation has occurred, the employee shall immediately notify his or her supervisor. A supervisor with authority to address the situation shall complete an investigation of the report within 24 hours of receipt and shall take any remedial action deemed necessary.
- (c) The Union President or designee shall be notified of a safety violation reported to MOSHA or OSHA. The Union President or designee shall be permitted to

The committee will also look at the Safety Article in the governing MOU to draft agreed upon language, if necessary, for safety oriented concerns.

The committee will meet no less than 6 times and recommendations shall be completed by December 31, 2020.

All replacements will be initiated by reimbursement to the employee upon submission of a receipt. The employee will be required to turn in the worn tool.

#### **ARTICLE 17 - USE OF TELEPHONES**

- (a) Presuming there will be no abuse, a unit member may use County telephones, on the clock, to call the Union representative, President, or Shop Steward when a grievance occurs and the call is needed. The supervisor must be informed that the call will be made. If abuse occurs, the County reserves the right at its option, after five days' notice to the Union, to withdraw this permission.
- (b) Presuming there will be no abuse, the Union and its members may use the County's GroupWise email system to communicate with and among members. The unit member shall inform the supervisor that the email is being sent. ### **Section 19.1. - Vacancies.**

Vacancies in higher positions shall be filled by promotion, as far as practicable, from the lower classes, provided that the filling of such vacancy thereby will enhance governmental efficiency and be compatible with the intent and spirit of the County's Affirmative Action Program. The County encourages employees to develop skills and attain greater knowledge of their work, and to make known their qualifications for more responsible and different work. No employee shall be required to obtain the permission of his immediate supervisor or appointing authority before applying to the Personnel Administrator for a promotion and/or transfer between departments; however, upon receipt of any such application, the Personnel Administrator shall give immediate notice of same to the applicant's present department head. In the event that personnel on the promotional list and replacement list have substantially the same qualifications as personnel on the open competitive file, they shall be given preference in the placement on the qualifying register, except where such preference conflicts with the intent of the Affirmative Action Program.

### **Section 19.2. – Work Standards – Trial Period.**

An employee who is selected and promoted to a vacant or newly created position and is rejected due to his inability to carry out the responsibilities of the new position, shall be assigned to a vacant or newly created position by the appointing authority, subject to Personnel Officer approval, at the same pay level held prior to promotion, plus general pay plan changes.
