B. Layoff

In the event of layoff of employees in the bargaining unit because of lack of work or funds, the employee with the least seniority in title in the district or in the case of high schools in the borough, shall be selected for layoff except that an employee who would otherwise be laid off on the basis of seniority may be retained only if and so long as he/she is performing duties

which no other more senior qualified employee is able to perform.

C. Recall

Recall of employees in the bargaining unit who are laid off because of lack of work shall be made to available positions in the bargaining unit in title in the district or in the case of high schools in the borough on the basis of greatest seniority except that an employee with less seniority may be recalled if the position for which he/she is recalled involves duties that no more senior qualified employee on layoff is able to perform.

In the event that vacancies occur in the SPARK program, employees on the list will be considered for employment, and the senior qualified employee will be given preference over applicants not employed in a program.

ARTICLE XIII

POLICY CONCERNING APPLICATIONS FOR POSITIONS

Employees may apply to the program director for positions in title in the bargaining unit in a school or other work location in the district, or in the case of high schools in the borough, other than the school in which they are serving. All openings shall be posted for seven school days in all work locations in the district and in the district office and in the high schools in the borough in which the opening occurs. An employee who applies in writing for an opening in title in the bargaining unit will be interviewed, and if found qualified, will be given preference for employment in the opening in another school or other work location, if the employee has more than the equivalent of one school term of continuous service. The qualified applicant in title with the earliest date of application shall be selected.

In the event a junior employee is promoted instead of the most senior employee and the promotion is based on the junior employee's educational qualification, and the senior employee

complains to the drug director that he/she should have been promoted, the final decision regarding the promotion will be determined by the Director of the Office of Substance Abuse Programs within five school days after the receipt of the employee's complaint.

The director's decision is final and binding on all parties. The director's decision is restricted to determining whether the senior employee is qualified for the promotion. The director does not have the discretion to set any other conditions for promotion. The director must consult with the Union's representative prior to making the decision.

Seniority for the above promotion procedures is defined as the length of continuous service in Level in the district or for high school programs in the borough.

Reimbursement will be limited to a total of \$100 in any school year; will only be made when the employee has not been negligent; and will be granted to the extent that such loss is not covered by insurance.

The term "personal property" shall not include cash. The terms "loss," "damage" and "destruction" shall not cover the effects of normal wear and tear and use.

B. Assistance in Assault Cases

1. Principals shall be required to report all cases of assault suffered by the employee in connection with their employment to the Executive Director of Personnel and to the Office of the Counsel.

The principal shall render his/her decision within 24 hours after receiving the complaint.

The decision of the Chief Administrator of School Safety shall be final and binding.

Where all employees in the school are affected, the Union may initiate a complaint on behalf of all employees.

ARTICLE XXI

COMPLAINT AND GRIEVANCE PROCEDURES POLICY

It is the policy of the Board to encourage discussion on an informal basis between a supervisor and an employee of any employee complaint. Such discussion should be held with a view to reaching an understanding which will dispose of the matter in a manner satisfactory to the employee, without need for recourse to the formal grievance procedure. An employee's complaint should be presented and handled promptly and should be disposed of at the lowest level of supervision consistent with the authority of the supervisor.

Upon request to the Director and/or head of the school, a Union staff representative shall be permitted to meet with employees in the unit during their non-working time, within the school or other work location, for the purpose of investigating complaints and grievances, under circumstances which will not interfere with the Substance Abuse Prevention and Intervention program or other school activities. When necessary, any employee in the unit who is a shop steward in the work location in which the aggrieved employee is assigned will be given time off to represent the employee in the presentation of his/her grievance. A Union staff representative or shop steward in the school shall be permitted to investigate grievances and complaints during working time, only if such grievances require inspection of working conditions at the school and the inspection does not interfere with the Substance Abuse Prevention and Intervention Specialists program or with school activities.

INFORMAL COMPLAINT PROCEDURE

It is desirable that any employee having a complaint should discuss it informally with his/her immediate supervisor or with any other appropriate level of supervision at the work location.

The employee should request an opportunity to discuss the matter, and the supervisor should arrange for the discussion at the earliest possible time. At such informal discussion, the employee may be accompanied by a Union representative or by another employee in the unit who is not an official or agent of another employee organization. The Union representative shall be the steward at the work location or a Union staff representative.

The objective should be to dispose of the majority of employee complaints in this manner.

FORMAL GRIEVANCE PROCEDURE

If the matter has not been disposed of informally, an employee having a complaint concerning any condition of employment within the authority of the Board of Education may, within a reasonable period not to exceed 75 days following the action complained of, present such complaint as a grievance in accordance with the provisions of this grievance procedure. Complaints concerning matters which are not within the authority of the Board should be presented in accordance with the review procedures of the agency having authority over such matters.

The grievance procedure does not apply to complaints concerning out of title or level work. Complaints as to out-of title or level work are to be referred to the Executive Director for Human Resources.

If a group of employees has the same complaint, a member of the group may present the grievance in the group's behalf under this procedure.

The Union has the right to initiate or appeal a grievance involving alleged violation of any term of this Agreement. Such grievance shall be initiated with the appropriate community superintendent or with such other Board official as may be appropriate.

Grievances arising from the action of officials other than the head of a school shall be

initiated with and processed by such officials in accordance with the provisions of Step 2 of this grievance procedure.

Expedited Grievance Procedure

Grievances arising out of exceptions to seniority for layoff and recall shall be filed by the aggrieved employee within two days from knowledge of the decision and the Board of Education shall schedule a hearing and render a decision within four school days. If the Step 3 award is unsatisfactory to the employee he/she may file for arbitration and a hearing will be scheduled and a decision rendered within ten calendar days.

Following is the procedure for presentation and adjudgment of grievances:

Step 1

1. An employee shall initiate the grievance at Step 1 with the director of the program.

Step 2

2. If the grievance is not resolved at the first step, the employee may then appeal the grievance to the community superintendent as the Board representative at Step 2 (for elementary and junior high schools) or to the Coordinating Superintendent, Division of High Schools (for the High Schools) within 15 school days after he/she has received the decision at Step 1.

Step 3

3. If the grievance is not resolved at Step 2, the employee may then appeal the grievance to the Chancellor within 15 school days after he/she has received the decision at Step 2. The appeal at Step 3 shall be accompanied by the letter of appeal and decision at Step 2.

Representation

At each step, the employee may be accompanied by a Union representative or by an employee in the bargaining unit who is not an official or agent of another employee organization, or both. At Step 1, the Union representative shall be the steward at the school or a Union staff representative, or both. At Step 2, the Union representative shall be a Union staff representative, or both.

Conferences and Decisions

At each step of this grievance procedure, a conference shall be arranged by the Board representative, or his/her designee, with the aggrieved employee and his/her representative, if any. Conferences held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons entitled to be present to attend. When such conferences are held during working hours, employees who participate shall be excused with pay for that purpose.

Every attempt should be made to reach a mutually satisfactory resolution of the grievance at the conference held under this procedure. If the grievance is not resolved at the conference, then a decision must be rendered by the Board representative. The decision at each step should be communicated to the aggrieved employee and his/her representative within the following time limits:

1. At Step 1, within five school days after the grievance is initiated;
2. At Step 2, within ten school days after the appeal is received;
3. At Step 3, within ten school days after the appeal is received.

If a satisfactory resolution is not reached or if a decision is not rendered within the time limit at Step 1 or 2, the employee may appeal the grievance to the next higher step.

APPEAL TO THE GRIEVANCE PANEL (STEP 4)

A grievance which has not been resolved by the Chancellor at Step 3 may then be appealed by the Union to the Grievance Panel, within 20 school days of the receipt of the Step 3 decision.

The Panel shall be composed of one representative of the Board, one representative of the Union and one other person, selected by mutual agreement of the Board and the Union, who shall be the chairperson.

Any costs relating to the participation of the chairperson shall be shared equally by the Board and the Union.

The Panel shall set a hearing date for the appeal that is within 30 days following receipt

of the appeal, and issue an award within 30 days following the close of the hearing.

Appeals involving exceptions to seniority based on qualifications shall take precedence over all other appeals.

With respect to grievances which involve the application or interpretation of the provisions of this agreement the Grievance Panel shall be without power or authority to make any decision:

1. Contrary to, or inconsistent with, or modifying or varying in any way, the terms of this agreement or of applicable law or rules or regulations having the force and effect of law;

2. Involving Board discretion or Board policy under the provisions of this agreement, under Board By-Laws, or under applicable law, except that the Panel may decide in a particular case that such policy was disregarded or that the attempted application of any such term of this agreement was so discriminatory, arbitrary or capricious as to constitute an abuse of discretion.

3. Limiting or interfering in any way with the powers, duties, and responsibilities of the Board under its By-laws, applicable law, and rules and regulations having the force and effect of law.

With respect to grievances which involve the application or interpretation of the provisions of this Agreement the decision of the Grievance Panel, if made in accordance with its jurisdiction and authority under this Agreement, will be accepted as final by the parties to the dispute and both will abide by it.

With respect to all other grievances, if the grievance is not resolved by unanimous agreement of the Panel members and the employee at the conference, then a report and majority recommendation of the Panel shall be transmitted by the chairperson to the Chancellor. Within ten school days after the date the report and recommendation are received by the Chancellor, he shall indicate whether he will accept the Panel's recommendation. Unless the Chancellor disapproves the recommendation within ten school days after the date it is received by him, the recommendation shall be deemed to be his decision.

A recommendation of the Panel which has been approved by the Chancellor within the ten-day

limit specified above, shall be communicated to the aggrieved employee. If the Chancellor decides to disapprove a recommendation of the Panel, he shall notify the aggrieved employee and the Panel of his or her decision.

A recommendation of the Panel which has been approved by the Chancellor, or which has not been disapproved by the Chancellor within the ten-day limit specified above, shall be communicated to the aggrieved employee. If the Chancellor decides to disapprove a recommendation of the Panel, he shall notify the aggrieved employee and the Panel of his/her decision.

There shall be no taping by the Union's and/or the Board's advocates, nor any other individual present at the arbitration hearing, without the mutual consent of the parties.

The provisions of the formal grievance procedure outlined above shall not be available for the use of employees with less than the equivalent of one school term of continuous service.

ARTICLE XXII

DISCHARGE REVIEW PROCEDURES

It is the policy of the Board that the discharge of an employee should be based on good and sufficient reason and that such action should be taken by the supervisor having such authority only after he/she has given due consideration to the matter.

If an employee with more than the equivalent of one school term is discharged, he/she shall be given a written notice of discharge and a statement of the general reasons for such action, except where circumstances warrant an immediate discharge, in which case such notice and reasons shall be given within two school days after such discharge. Such employee will also, upon his/her request, be afforded an opportunity for a prompt and careful review of the discharge in accordance with the provisions of the complaint and grievance procedure as stated in Article XXI of this Agreement.

This procedure will be applied prospectively and will only cover discharges for cause which occur after the start of the 1976-1977 school year.

ARTICLE XXIII
PERSONNEL FOLDERS

An employee shall be permitted to view his/her personnel file once a year and when an adverse personnel action is initiated against the employee by the employer. The viewing shall be in the presence of a designee of the employer and held at such time and place as the employer may prescribe.

Employees shall be given a copy of any evaluatory statement of their work performance or conduct, which is placed in their permanent personnel folder. Employees shall be given an opportunity to answer any such evaluatory statement placed in their folder, and their written answer shall be attached to the evaluatory statement in the folder.

Any evaluatory statement with respect to the employee's work performance or conduct a copy of which is not given to the employee, may not be used in any subsequent disciplinary action against the employee.

ARTICLE XXIV
INFORMATION AT THE SCHOOL

- A. All official Board of Education circulars which deal with the working conditions or the welfare of employees covered by this Agreement shall be posted promptly.
- B. A current and correct copy of the district seniority list for employees in the bargaining unit shall be posted in each work location in the district at the start of each school term. A copy shall be given to the Union steward and to the Union district representative.

ARTICLE XXV
LABOR-MANAGEMENT MEETINGS

1. The community superintendent, or for high schools, the assistant superintendent, or their designees will meet with Union representatives once a month during the work year to consult on matters of mutual concern.

These meetings will only be scheduled if called for by either the Union or appropriate

management representatives.

2. Labor-Management Committee

There shall be a Labor-Management Committee consisting of three members representing the Board and three members representing the Union. This Committee shall meet upon request from either the Board or the Union to consider matters of concern to employees in the unit such as the roll-over of annual leave.

ARTICLE XXVI

IDENTIFICATION CARDS

The Board shall furnish identification cards to all employees who have served continuously for three months. The loss of an identification card shall be reported immediately, and the card shall be replaced at cost to the employee. Upon separation from service an employee shall not receive his/her final paycheck until he/she has returned his/her identification card, or has submitted an appropriate affidavit of loss.

ARTICLE XXVII

UNION MEETINGS

Upon request to the head of the school, members of the Union who work in schools and who are in the bargaining unit shall be permitted to meet within the school under circumstances which will not interfere with school activities working hours, at a place to be assigned by the head of the school or program director, where other employees or children are not present. Union officials may attend such meetings.

If such meetings involve units from more than one work location the Union shall have the right to hold such meetings pursuant to the limitations found in paragraph 1, provided however, that if such meetings generate additional custodial fees, such fees shall be paid by the Union. It is understood that where another activity has already been scheduled in the school or other work location, there shall be no charge to the Union.

ARTICLE XXVIII

RESTRICTION ON UNION ACTIVITIES

No employee shall engage in Union activities during the time he/she is assigned to duty, except that members of the Union's negotiating committee shall, upon proper application, be excused without loss of pay for working time spent in negotiations with the Board or its representatives or as otherwise provided in this contract.

ARTICLE XXIX

- A. If any provision of this Agreement is or shall at any time be contrary to law, then such provision shall not be applicable or performed or enforced, except to the extent permitted by law and any substitute action shall be subject to appropriate consultation and negotiation with the Union.
- B. In the event that any provision of this Agreement is or shall at any time be contrary to law, all other provisions of this Agreement shall continue in effect.
- C. If the Board delegates any of its authority or functions to a community school board, the terms of this Agreement, insofar as applicable, shall be binding upon the community school board to the extent permitted by law.

ARTICLE XXX

COPY OF AGREEMENT

The parties will have available copies of this Agreement upon request.

ARTICLE XXXI

NO-STRIKE PLEDGE

The Union and the Board recognize that strikes and other forms of work stoppages by employees are contrary to law and public policy. The Union and the Board subscribe to the principle that differences shall be resolved by peaceful and appropriate means without

interruption of the school program. The Union therefore agrees that there shall be no strikes, work stoppages, or other concerted refusal to perform work, by the employees covered by this Agreement, nor any instigation thereof.

APPENDIX A
LONGEVITY INCREMENT ELIGIBILITY RULES

The following rules shall govern the eligibility of employees for the longevity increments provided for in Section 11 of the 1984-1987 MCEA and Section 11 of the 1987-1990 District Council 37 Economic Agreement:

1. Only service in pay status shall be used to calculate the fifteen years of service, except that for other than full-time per annum employees only a continuous year of service in pay status shall be used to calculate the fifteen years of service. A continuous year of service shall be a full year of service without a break of more than thirty-one days. Where the regular and customary work year for a title is less than a twelve-month year such a school year, such regular and customary year shall be credited as a continuous year of service counting towards the fifteen years of service. If the normal work year for an employee is less than the regular and customary work year for the employee's title, it shall be counted as a continuous year of service if the employee has customarily worked that length of work year and the applicable agency verifies that information.

2. Service in pay status prior to any breaks in service of more than one year shall not be used to calculate the fifteen years of service. Where an employee has less than seven years of continuous service in pay status, breaks in service of less than one year shall be aggregated. Where breaks in service aggregate to more than one year they shall be treated as a break in service of more than one year and the service prior to such breaks and the aggregated breaks shall not be used to calculate the fifteen years of service. No break used to disqualify service shall be used more than once.

3. The following time in which an employee is not in pay status shall not constitute a break in service as specified in paragraph 2 above.

- a. Time on a leave approved by the proper authority which is consistent with the rules and regulations of the Personnel Director or the appropriate personnel authority of a covered organization.
- b. Time prior to a reinstatement.
- c. Time on a preferred list pursuant to Civil Service Laws Sections 80 and 81 or any similar contractual provision.
- d. Time not in pay status of thirty-one days or less.

Notwithstanding the above, such time as specified in subsections a, b, and c above shall not

be used to calculate the fifteen years of service.

4. Once an employee has completed the fifteen years of “City” service in pay status and is eligible to receive the \$500, the additional \$300 or \$800 longevity increment, the \$500, the \$300 or \$800 shall become part of the employee’s base rate for all purposes except as provided in paragraph 5 below.

5. The \$500, \$300 and \$800 longevity increment shall not become pensionable until fifteen months after the employee becomes eligible to receive such \$500, \$300 or \$800 increment. Fifteen months after the employee becomes eligible to receive the \$500, \$300 or \$800 longevity increment, such \$500, \$300 or \$800 longevity increment shall become pensionable and as part of the employee’s base rate, the \$500 longevity increment shall be subject to the general increases provided in Section 4a of this Agreement.
