Dear

On July 26, 2019 we will be celebrating our 16th Annual Awards and Scholarship Banquet. We honor probation officers, educators, health care workers, fire fighters, law enforcement officers and all those who keep our community safe. Our probation theme this year, **“Dedicated Probation Officers Unite”** gives us the opportunity to focus on the values, qualities of success in this field. As we observe these qualities in action, we are better able to understand how these members of our public safety community can successfully service the community where we all, not only work, but live.

The Los Angeles County Probation Department is the oldest and largest Probation Department in the world. Probation Officers are an essential part of The Los Angeles County Community. Helping our clients assimilate back into society not only benefits the clients, but also the community. This work is never done, but with your help we are moving it forward.

Through this event, we are able to provide scholarships for young people who are moving on to higher education, offer donations to the Peace Officer Memorial Foundation, and grants to our members facing catastrophic events. We appreciate your past support and hope we can count on your sponsorship again this year.

Fraternally,
