

Mileage & Travel Guidelines for 2023 Legislative Events UPDATED as of 1-4-23

Please note that the LPA Travel & Reimbursement Policy for the 2023 Legislative Session mirrors the WFSE Member Reimbursement Policy for both the WFSE Member Lobby Training on January 7, 2023, and Lobby Days travel/lodging reimbursements.

The 2023 Legislative Session runs from January 9 through April 23, 2023 – 105 days.

LPA will cover the cost of mileage or airfare & rental car (carpooling is highly encouraged when possible) and lodging for members coming to Olympia for Lobby Days and if LPA requests that a member testify travel at a hearing. Please keep in mind that accommodations are intended only for those who must travel greater than 50 miles to attend.

LPA provides breakfast and lunch during the Lobby Day, and if overnight travel is required/approved, a dinner meal the night prior to the lobby day will be reimbursed. All other meals are a member/local expense.

Legislative Reception, Tuesday, January 17, 2023

LPA has never paid for mileage to attend the reception as this is an optional event for WFSE members. Deadline to RSVP is Friday, January 6, 2023, 5:30pm – 8:00pm. Members who RSVP must be WFSE PEOPLE members.
