

THE UNION DIFFERENCE

AFSCME Local Union leaders and Council 36 staff have negotiated a **Separation Incentive Program (SIP)** with the City of Los Angeles, to alleviate furloughs.

This is a great opportunity!

If the program is successful, there will be **NO** furlough days!

All applications must be turned in by August 3rd. Access your MyLACERS account for more information. If you do not have a MyLACERS account, email LACERS at lacers.services@lacers.org and request a PIN to create an account.

WE ARE AFSCME STRONG!
