

TACOMA ART MUSEUM WORKERS UNITED UNION RECOGNITION RALLY

THURSDAY, MARCH 23 | 5PM | TACOMA ART MUSEUM

Stop union busting, TAM Board of Trustees - grant us recognition now!

The TAM Board of Trustees **failed yet again** to grant us recognition at their January Board meeting, and Board President Jeff Williams and other Board members have stated that **they don't believe we deserve one union together.**

We won't be stopped by their union busting and we won't leave any of our coworkers behind.

When the Trustees meet again at TAM on Thursday, March 23, we call on our community supporters and union siblings to rally with us outside the front of the Museum. **Together, we will demand loud and clear: recognition now!**

MASKS ENCOURAGED & FREE MASKS WILL BE AVAILABLE
